

# Homeboi: Redefining Masculinity

We will strategize ways to transform our masculinities to be tools of liberation that are rooted in integrity, community and empowerment of others.

This conversation seeks to engage people that are masculine. This includes but is not limited to cisgender and transgender men, two-spirit people, womyn, gender queer and gender non-conforming folks.

Time: April 10th, 2017 12pm-2pm  
Location: Center for Intercultural Relations
